

Wisconsin Department of Veterans Affairs

Tony Evers, Governor | Mary M. Kolar, Secretary

November 10, 2022

Dear King Members, Friends, and Family:

We are continually grateful to serve our nation's heroes who have chosen to make this place their home. We appreciate everyone who continues take personal precautions to minimize the potential spread and impact of COVID in our community.

Since we last updated you on November 4, we have had 1 employee test positive for COVID-19. Accounting for all recent recoveries, currently we have 3 total cases of COVID-19 on campus (0 members, 3 employees). We recognize the seriousness of COVID-19's effect on our community and we are following all CDC and Wisconsin Department of Health Services (DHS) protocols to protect our members and staff.

We remain vigilant in proactive efforts to lower the spread among members, staff, and visitors. Affected areas on campus have enhanced PPE and sanitizing measures. All staff are wearing N95 masks, and all visitors to our Home are offered KN95 masks to wear upon arriving at our campus. Members in affected areas are also highly encouraged to wear KN95 masks.

Our Home remains open to visitors. We encourage you to visit our online Visitor Dashboard (www.WisVetsHomesCovid.com) to know in advance of your visit whether a member's living unit has active cases of COVID-19. To help reduce the chance of spread, please take sensible precautions, and consider delaying your visit if you have symptoms of COVID-19 or the flu.

We encourage you to stay current on your vaccines and boosters as they protect you and those you care about. The DHS recommends anyone age 5 and older to receive the new, updated COVID boosters. Please visit the DHS webpage to find a vaccine and booster location near you (<https://www.dhs.wisconsin.gov/covid-19/vaccine-get.htm>).

Thank you for your continued commitment and support of our Home.

Sincerely,

Tammy Servatius
Commandant
